

H2O-T2S PROJECT PARTNERS' MEET
SACIWATERS, Hyderabad

AGENDA

Sunday, 17th MARCH 2019 – Partners Meet at SaciWATERS Day 1

Time	Issues to be discussed
10 am – 11:15am	Summary of Field visits vis-à-vis the 3 research questions
	- <i>Pune</i>
	- <i>Kolkata</i>
	- <i>Hyderabad</i>
11:15am – 11:30am	Tea Break
11:30am – 12pm	Discussion of limitations/issues of field for study, if any
12pm – 1pm	Linking the 3 research questions
1pm – 2pm	Lunch
2pm – 3:30pm	Revisit the Resilience-Vulnerability loops
3:30pm – 4:15pm	Ways to apply the concept to the field study
4:15pm - 4:30pm	Tea Break
4:30pm – 5:30pm	Strategy to tie up the research with the stakeholder meetings <i>(how do we make the research relevant that can engage the stakeholders better? Government will need a more macro level discussion while the community will need more bottom-up and socially inclusive methods)</i>

Monday, 18th MARCH 2019 – Partners Meet at SaciWATERS, Day 2 AGENDA

Time	Issues to be discussed
10am – 11:45am	Questionnaire design (identify broad themes and questions that need to be covered through quantitative, and those by qualitative methods)
11:45am – 12pm	Tea Break
12pm – 12:30pm	Sample design for each partner (both qualitative and quantitative) nature and number of respondents (KPIs, Personal narratives, Oral histories, Institutions)
12:30pm – 1pm	Logistics and timeplan of fieldwork (incl. coordination of qualitative fieldwork)
1pm – 2pm	Lunch
2pm – 3pm	Final comments and discussion

The project partners meet for project *H2O-T2S in Urban Fringe Areas* was held in continuation with pilot field visits to all the project sites. The duration for this activity was March 8th 2019 – March 18th 2019. The field visits were attended by the researchers from the three partner organisations:

- Prof. Sucharita Sen (SaciWATERS)
- Shreya Chakraborty (SaciWATERS)
- Dr. Carsten Butsch (UoC)
- Dr. Ir. Leon Hermans (TU Delft)
- Sharlene Gomes (TU Delft)

In addition the respective field partners for each city were present for the field visits – The Researcher (Kolkata), Bharti Vidyapeet University (Pune), and SaciWATERS (Hyderabad).

Pilot field notes and pilot field reports around the core questions of periurban water, institutions, and livelihoods were prepared and shared by all three partners. The key issues discussed included conceptual and logistical aspects including:

- ***Conceptualisation and debates on Transformations***
- ***Sustainability of some emerging trajectories***
- ***Importance of analyzing Power positions of actors***
- ***Characteristic Periurban transformations***

- ***Schedules and Methods of data collection***
- ***Project planning of upcoming outputs and timelines***
- ***Schedule planning for joint fieldwork in 3 cities***

WORKSHOP PLANNING

Year 1	Year 2	Year 3
2018-2019	2019-2020	2020-2021
1. Kick off Workshops (1/2 day)	Field Research	2. Transformation pathways workshop (2 Day): Multi-stakeholder State-Level workshop (1 in each city) – end of 2020
• Identify problems		• Share current trajectory
• Project introduction		• Vision mapping
• Social mapping		• Pathways
		• Tipping points
<i>a. Community level</i>		<i>Day 1: Drawing pathways in parallel sessions</i>
